## GENERAL INFORMATION

### Meeting Headquarters Hotel Reservation Information

Special sleeping room rates have been secured at the hotel. The rates are US \$262 for resort view single and double occupancy, \$282 for partial ocean view single and double occupancy, and \$302 for ocean view single and double occupancy. Maximum occupancy per room is four people. Room reservations can be made online by visiting our website and clicking the link for reservations.

### IMPORTANT:

These special room rates are good on or before February 26th, 2022 and are on a first come, first served basis. After February 26<sup>th</sup>, or before if the IAO room block sells out, reservations will be accepted on a space availability basis and the special room rate cannot be guaranteed. The number of hotel rooms at this special group rate is limited and it is suggested that you make room reservations as early as possible.

### The Airport That Serves Honolulu

The Daniel K. Inouye International Airport (HNL) is the largest airport in the State of Hawaii and is located in Honolulu on the island of O'ahu. Domestic and International flights arrive and depart daily. Passports ARE NOT required for US Citizens, however they are recommended for ease of travel. Check the TSA website for the latest travel ID requirements. [www.tsa.gov](http://www.tsa.gov)

### COVID-19 Travel Info – IMPORTANT

Please ensure you are familiar with any COVID-19 related travel requirements for your area, as guidance is constantly updating.

<http://travel.hawaii.gov>

<https://hawaiicovid19.com/travel/getting-to-hawaii/>

### For Dentists Living Outside the United States and Canada

When planning to attend the 2022 IAO Annual Meeting, be sure that you make travel arrangements well in advance. This includes obtaining all necessary visas to enter Hawaii. Check with your local Embassy or Consulate for your nationality's requirements for visiting the US. The IAO headquarters office will gladly send interested dentists an official invitation to attend the annual meeting if requested.

### Waikiki Area Attractions

For information regarding area attractions, visit:

<https://www.gohawaii.com/island/oahu/regions/honolulu/waikiki>

Check the IAO's Facebook: IAO and International Association for Orthodontics.

Instagram @IAOrtho for updates on where to eat, what to do, and where to go!

### About the IAO

- The International Association for Orthodontics (IAO) is the oldest national and international non-specialty orthodontic group in existence.
- The IAO was formed in 1961 to promote national and international cooperation in the orthodontic field of dentistry.
- The IAO maintains membership categories for dentists to promote and recognize continuing orthodontic education excellence for its members.

## Advisement

Doctors are cautioned against the use of limited knowledge when incorporating techniques and procedures into their practices, especially when a session has not provided them with the necessary supervised clinical experience in the technique or procedure to ensure that they have attained competence.

## Cancellation and Refund Policy

All paid meeting registrations will be refunded totally on or before March 14th, 2022. Paid registration cancellations between March 14th and March 24th 2022 will be refunded half of the registration paid. There will be no refunds made after March 24th, 2022. In the event that the IAO Annual Meeting is cancelled, a full refund will be made to all advanced registrants. Cancellation of an individual speaker will not be cause for a refund.

Annual Meeting Objectives can be found at [www.iaortho.org](http://www.iaortho.org)

## SPECIAL INTEREST

### Complimentary Breakfast

There will be a full breakfast provided between 7:30 AM and 8:00 AM on the mornings of Thursday, Friday, Saturday and Sunday. Please note that the breakfast will end promptly at 8am in order to start morning sessions.

***This will be a courtesy to all persons registered for the meeting ONLY, no non-registered guests or children please.***

### IAO Continuing Education Provider Recognition and IAO Course Recording Program

The IAO is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the ADA CERP at . The formal continuing education programs of this program provider are accepted by AGD for Fellowship/ Mastership credit. The current term of acceptance extends from 11/2018 - 6/2022. IAO Members who attend the 2022 IAO Annual Meeting will, after they submit their participation forms, have their courses recorded with the IAO Continuing Education Course Recording Program that is used in determining IAO Membership Professional Advancement.

### The President's Reception, General Assembly Luncheon and Annual Celebration Evening

Please join us for three popular annual meeting functions, kicking off with our President's Reception on Thursday, March 31st! Plan to meet your fellow attendees for a cocktail and light hors d'oeuvres welcomed by our current President, Dr. Maridin Lacson. The President's Reception will be held from 5pm to 7pm in the Exhibit Hall. This event is included in the Dentist, Spouse/Guest and Auxiliary/Staff registration fees. For non-registered attendees the charge is US \$75.

On Friday April 1st, the General Assembly Luncheon will take place in the South Pacific Ballroom from 12:15pm to 1:30pm, generously sponsored by Legally Mine. Enjoy lunch and participate in the association's yearly general membership meeting. The luncheon is included in the Dentist and Auxiliary/Staff registration fees. For Spouses/Guests and non-registered attendees the charge is US \$60.

The Annual Celebration Evening is Saturday, April 2nd from 7pm to 11pm. Please join us for a cocktail and heavy hors d'oeuvres in the Exhibit Hall. This reception is included in the Dentist, Spouse/Guest and Auxiliary/Staff registration fees. For non-registered attendees the charge is US \$100. Come in business casual or dress up, it's up to you! Formal attire is NOT required to attend.

## The Exhibit Hall – Your Orthodontic Marketplace!

The 2022 IAO Annual Meeting's Exhibit Hall will feature exhibits from national and international vendors that provide both equipment and services to dentists who practice orthodontics. Attendees will have an opportunity to meet knowledgeable representatives who will answer their questions. The Exhibit Hall is open to all registered attendees. All breaks will be at the Exhibit Hall. Vendors exhibiting in the exhibit hall, products lectured about and sponsored activities are not endorsed in any manner by the association.

### The Exhibit Hall hours are as follows:

<b>Thursday, March 31<sup>st</sup></b> 5:00 PM – 7:00 PM	<b>Friday, April 1<sup>st</sup></b> 7:30 AM – 12:00 PM & 1:30 PM – 5:45 PM	<b>Saturday, April 2<sup>nd</sup></b> 7:30 AM – 4:00 PM
---	---	--

### Table Clinics and Case Displays

Table clinics and case displays prepared by IAO members will be presented on Saturday between 12:30 PM and 2:00 PM in the Exhibit Hall. Successful IBO candidates will also display their best cases. This is always an excellent learning opportunity for attendees. If you wish to participate as a presenter, you must sign up by February 18th, 2022, please contact the IAO headquarters office for an application or go to [to apply online](#).

### Masterclass / Case Review

**Nelson Mark, Dr. Kenneth Lau, Dr. Mike Lowry and Dr. William Willis**

**Friday, April 1st | 1:30 PM – 2:30 PM | Lecture on Caseworx**

**Friday, April 1st | 2:30 PM – 4:00 PM | Hands on Caseworx assistance**

**Saturday, April 2nd | 1:30 PM – 4:00 PM | Hands on Caseworx assistance**

### Caseworx Masterclass: An In-Depth, One-on-One for Professional Advancement

Whether you're just starting on the road to Professional Advancement or already have a few cases submitted, this Masterclass will give you the confidence to quickly get cases completed. Spend time with Caseworx experts and examiners to get all of your questions answered. Learn shortcuts and tricks that make your case building even easier and pain-free! Following the conclusion of each session, attendees will: have specific questions answered by experts and examiners, gained confidence in completing their Fellow or Diplomate, installed and configured Caseworx on their computer\* and learned tips and tricks to make case building quicker and easier.

*\*Attendees should bring their laptops with case information to the session. If Caseworx is not installed, help will be available to get the computer ready to go.*

## SPOUSE / GUEST PROGRAM

### Jungle Expedition Tour

**Friday, April 1st 9:00 AM – 1:00 PM**

Jump on board for an adventurous and rugged open-air Jungle Jeep Expedition deep into Hawaii's beautiful Jurassic rainforest. This lush and tropical valley is where many of the Jurassic World, Kong Skull Island and Jumanji scenes were filmed. Guests board a custom built 16 passenger jungle vehicle for a 90 minute tour that rumbles through along jungle trails, across isolated stream beds and powers up steep, bumpy hills for many spectacular views of the valleys and ocean. On this tour you will also see a few famous movie site locations and sets (from Jurassic World) and a few other surprises! Guests experience secluded spots that overlook Oahu's eastern coastline and see Moli'i Pond, an 800 year old ancient Hawaiian fishpond, which is listed on the US National Register of Historic Places. Transportation is included.

**Cost: Included with Spouse/Guest registration fee. For others, the fee is US \$85.**

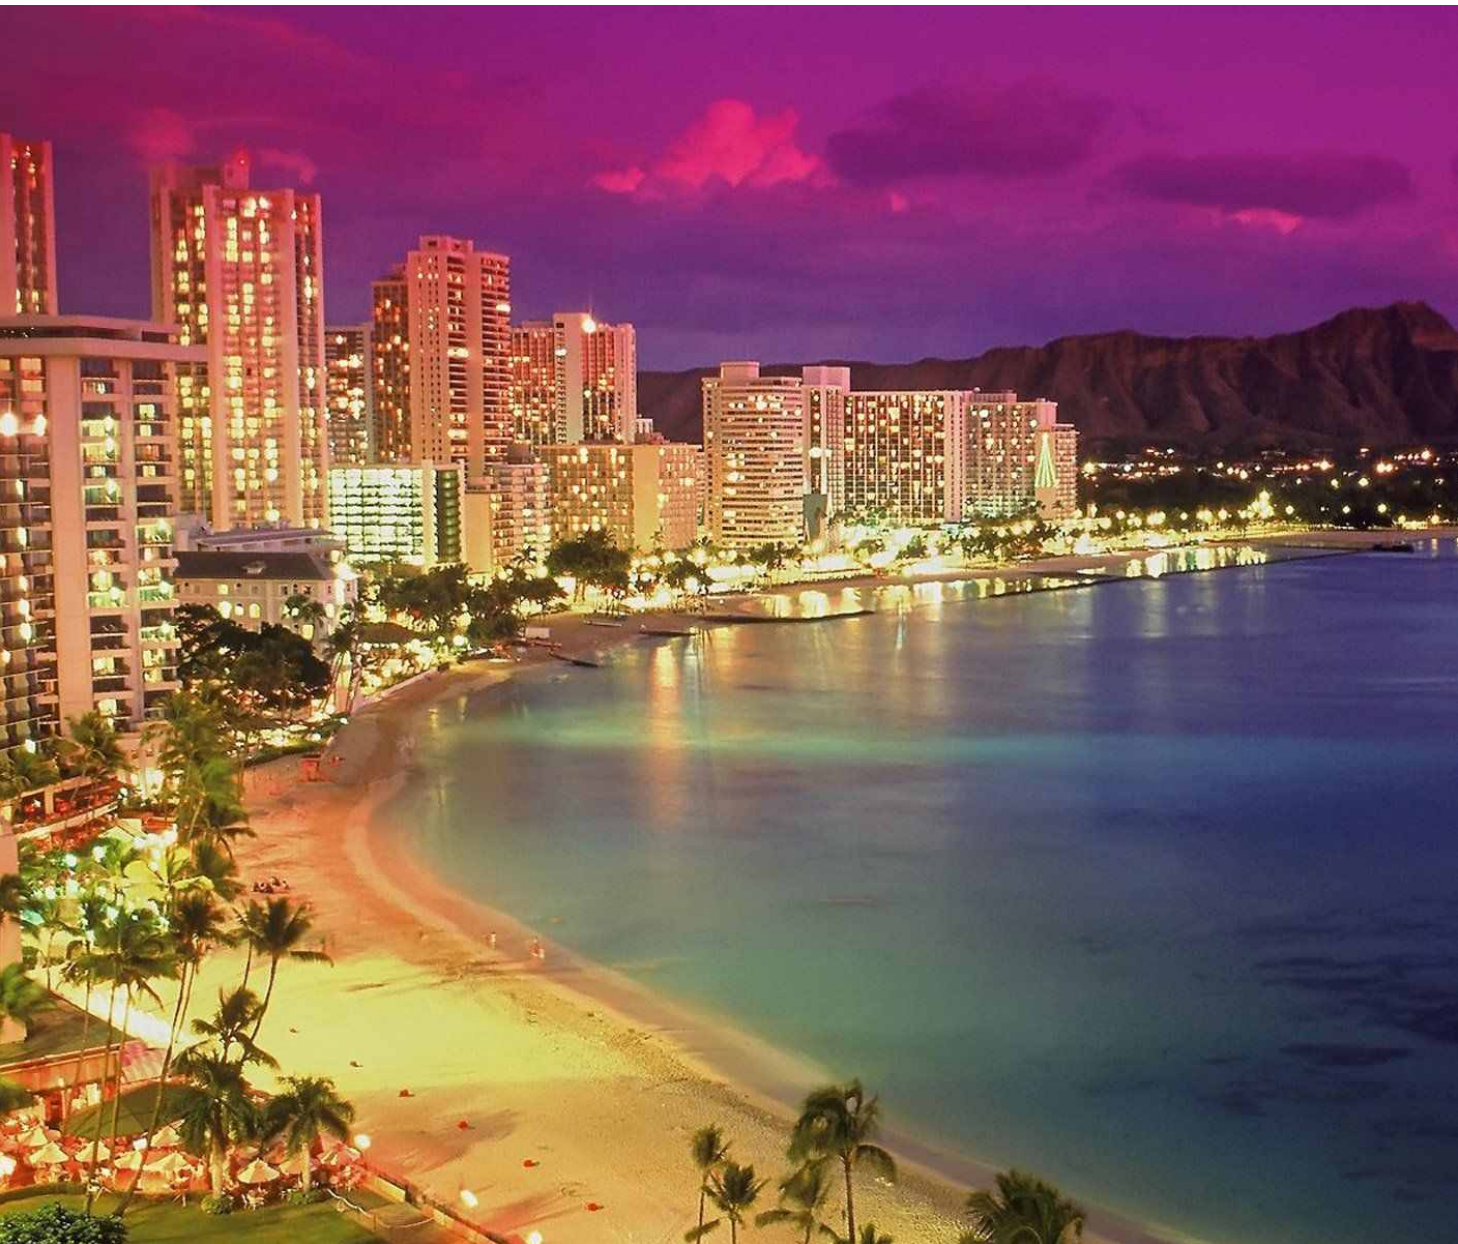

### Secret Island Adventure

**Saturday, April 2nd 10:30 AM – 3:45 PM**

This Secret Island Beach Adventure is an ideal place to relax and spend the day playing around with lots of water sports equipment and beach games. You will have access to kayaks, paddle boards, canoes and a catamaran. Bring your sunscreen, swimsuit, towel, shades and a camera for a fun-filled beach day of kayaking, canoe riding, stand-up paddle-boarding, beach volleyball, table tennis, or horseshoes. Of course, you can just relax and read a book in a hammock under a swaying palm tree. Showers and changing rooms are available on Secret Island so bring a change of clothes and a towel if you're planning to take a dip in the ocean. You can bring your own drink coolers and lunch/snacks if you want ... just no glass bottles allowed ... cans are preferred to avoid using single-use plastics! Transportation is included.

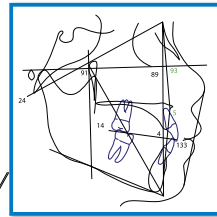

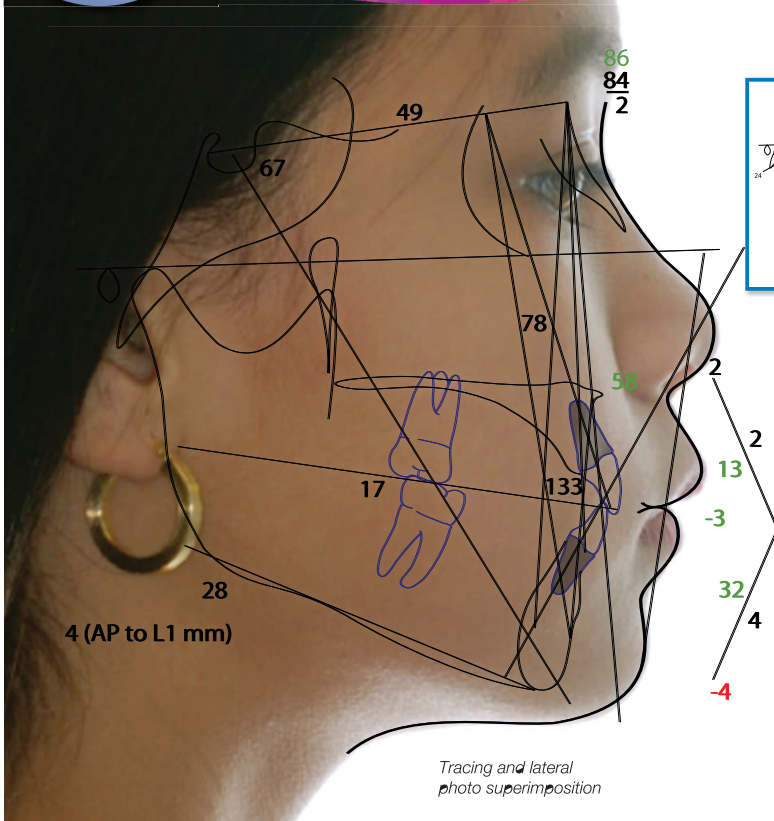

**Cost: Included with Spouse/Guest registration fee. For others, the fee is US \$75.**

 go to: [www.iaortho.org](http://www.iaortho.org)

## IAO INSTRUCTOR'S FORUM \*MUST PRE REGISTER SPECIAL WEDNESDAY SESSION – INCLUDED IN MEETING REGISTRATION

The International Association of Orthodontics is proud to present the fourth annual Instructor's Forum. The IAO has appointed seasoned alumni to participate as moderators in this unique opportunity. They will listen to a speakers made up of lecturers looking to hone their talent. The IAO's guest moderators will provide valuable knowledge to improve the skills of each speaker. The Forum will be held Wednesday. The Forum's audience will be open to all attendees of the Annual Meeting. All participants will still need to pay and register for the Annual Meeting.

To participate as a presenter, you must sign up by February 20th, please contact the IAO headquarters office for an application or go to [www.iaortho.org](http://www.iaortho.org) to apply online.

*The costs and registration forms for the meeting can be found at [www.iaortho.org](http://www.iaortho.org).*

## GENERAL PROGRAMME

Dr. David Gates DDS

Henderson, Nevada USA

**Date & Time:** Thursday, March 31, 2022,  
from 8:00 am – 12:00 pm & 2:00 pm – 5:00 pm

**CE Hours:** 3.75 & 2.75

### 4 ESSENTIAL CLEAR ALIGNER POWER TOOLS FOR GPs. FLAME ON!

As a Cosmetic and Reconstructive Dentist, for nearly 35 years, Dr. Gates' Clear Aligner Treatment was usually part of a more comprehensive Treatment Plan. His 4 Power Tools are becoming very proficient in Esthetics, Occlusion, IPR and Tracking Aligners.

Outcomes: Following conclusion of this session each attendee will be able to:

- Understand and solve Esthetic issues all the way from the planning stages to the final dazzling smile.
- Manage Occlusion factors from when you diagnose the case, until the patient smiles for their post-op photos!
- Gain command of the 6 elements of successful IPR.
- Learn and master the 8 types of Tracking Problems.

David Gates DDS, graduated from the Marquette University Dental School in 1986 and trained at the Dawson Center from 1993 – 1999. In 2003 he joined the faculty of Align Technology, where he lectured nationally and internationally, and is now their 2nd most senior GP faculty member. He was voted Top Speaker at their annual Summit meeting in 2005, 2006, and 2007.

Dr. Kenneth Lee

Sydney, NSW Australia

**Date & Time:** Friday, April 1, 2022,  
from 8:00 am – 12:00 pm & 2:00 pm – 5:00 pm

**CE Hours:** 3.752 & 2.75

### FROM BIRTH TO CHILDHOOD: ORTHODONTICS & ITS ROLE IN DENTOFACIAL DYSMORPHOSIS. THE ROLE OF THE DENTAL PROFESSIONAL.

**Description:** During this informative lecture Dr. Kenneth Lee will guide attendees through the importance of recognition, early treatment, management of adults, and incorporation of adjunctive therapies and allied health professionals to achieve the best outcome for their patients.

Dr Kenneth Lee received his Bachelor of Dental Surgery from the University of Sydney. He is a practicing dentist, principal of Today's Dental for over 30 years and runs a multi-location group practice in Sydney, Australia. His personal practice is limited to TMD, sleep Medicine and Implant Dentistry. He regularly lectures and teaches nationally and internationally. He is foundation faculty for the International Academy of Advanced Dentistry in Sydney, Australia, which runs over 30 weekends per year around Australia. He is both clinical and academic tutor for Jaume I University, and director of diploma courses in Implantology, Orthodontics & Dentofacial Orthopaedics, and Temporomandibular Joint Disorders and Sleep-Disturbed Breathing, and also the Masters course in Orthodontics and Dentofacial Orthopaedics.

**Dr. Ray Becker**

Endicott, Maryland USA

**Date & Time:** Friday, April 1, 2022, from 8:00 am – 12:00 pm

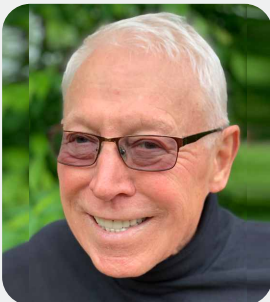

**CE Hours:** 3.75

### **PRACTICAL IMPLEMENTATION OF THE LATEST DIGITAL TECHNOLOGIES**

**Description:** The rapidly evolving field of Digital Dentistry can seem overwhelming, costly and complex to integrate effectively into a typical practice. Better patient care delivered more effectively, and efficiently with dramatically lower costs with a huge ROI are all feasible with this approach. A practical, proven and completely digital workflow will be overviewed and detailed to better understand and implement the huge advantages these technologies offer your practice. Following the conclusion of this session each attendee will be able to: understand and compare the different Digital technologies available, evaluate the direct cost savings of Digital vs Traditional Approaches, identify the ROI by implementing a Digital workflow, understand a practical TMD workflow relative to orthodontics, and compare cost savings of Digital Orthodontics vs Traditional.

Dr. Ray Becker is internationally renowned as a pioneer, innovator, and integrator of advanced technologies in Dental Medicine. He is currently the Certifying Instructor for the Total BioPAK system. His focus is on comprehensive,

reconstructive, esthetic dentistry with occlusion as its foundation. While Dr. Becker's delivery is centered on complex and demanding cases, he has developed, successfully taught, and personally uses a completely digital workflow that allows for efficient diagnosis, treatment, and evaluation of every patient within the practice. With Total BioPAK technology and these clinical protocols Dr. Becker is able to provide a fair and ethical framework which correlates well with a wide range of patient's clinical needs, and goals. Dr. Becker has keynoted and taught medical and dental clinicians, and professors at numerous international conferences in Australia, Finland, Germany, and Canada, as well as throughout the United States since 1991. Besides lecturing, he has authored numerous journal articles, DVD's, and entire published works ranging from lasers and CAD/CAM dentistry, through to practice management as well as chapters in Research reference textbooks on Joint Vibration Analysis. He has appeared dozens of times on regional and national network broadcasts with audiences of well over 100 million viewers throughout North America over the past 25 years. He has been actively involved at the developmental level of technologies created by several prominent dental companies including HCC, Unident, Sirona, BioResearch and Isolite Systems.

### Dr. Adrian J. Palencar

St. Catharines, Ontario Canada

**Date & Time:** Friday, April 1, 2022,  
from 8:00 am – 12:00 pm

**CE Hours:** 3.75

#### **AN INSIGHT TO SOME OF THE SPEAKER'S TWENTY-SEVEN IAO ANNUAL MEETING AWARD WINNING CASES**

**Description:** The speaker will be presenting a plethora of interesting cases including early mixed dentition, permanent dentition and some extraction cases. The impetus was always given to a functional approach including healthy TMJ, improvement of the volume of the oral cavity and the amelioration of the airway. Following the conclusion of this presentation, attendees will have learned the principles of excellent record taking, diagnosis and treatment planning. The dictum "Begin with the End in Mind" will transpire in all presented cases.

Dr. Adrian J. Palencar graduated from Komensky University in Bratislava, Slovakia, with the degree Doctor of Universal Medicine, and a specialty in Stomatology. He was recertified at Western University, Ontario, Canada in 1970. Dr. Palencar is a Master of the AGD, Diplomate of the IBO, Fellow of the

Academy of Dentistry International, Fellow of the Pierre Fouchard Academy and a Fellow of the International College of Dentists. Dr. Palencar received his Pinsky Award in 2003 and an Award for authoring the most outstanding article published in the IJO in 2015. Dr. Palencar published 14 articles in the IJO, and wrote a "Case Finishing" manual. In addition, Dr. Palencar is an IAO Master Senior Instructor and a Consultant to the IJO and Spectrum Ortho. He has been an Instructor at Rondeau Seminars for 17 years.

### General Assembly Luncheon and Speaker Legally Mine: Protecting Your Business and Personal Assets Friday | 12:15 PM - 1:30 PM |

Legally Mine is the largest, most respected, experienced, and comprehensive lawsuit protection company in America. Running a business gives you enough to worry about. Let Legally Mine reduce your anxiety and business risk by providing streamlined, effective, and easy-to-use products, backed by expert customer service and a reputation built by longevity and client satisfaction.

**Dr. Edmund Lipskis**

St. Charles, Illinois USA

**Date & Time:** Friday, April 1, 2022,  
from 2:00 pm – 5:00 pm

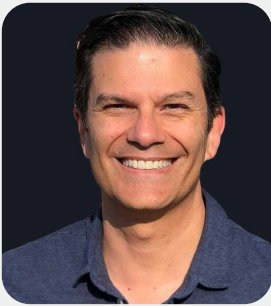

**CE Hours:** 2.75

### IMPROVING FACIAL STRUCTURE TO NORMALIZE FUNCTION

**Description:** Many practitioners may have noticed a trend of not favorable facial development in their patients. These changes are multi-factorial. As such, attendees will learn treatment methods that are forward thinking, including Dr. Lipskis' process of treatment to idealize facial structures to provide more optimal function. The earlier the problems are addressed, the more impactful the outcome.

Dr Lipskis embarked upon a 30+ year journey and over 2500 hours of post graduate continuing education in the areas of facial development; orthodontics; facial orthopedics; craniofacial pain; and sleep medicine. Dr. Lipskis has been invited to lecture with Dr. Derek Mahony, Dr. Steven Olmos, Dr. Kevin Boyd, and many other organizations. In 2009, Dr. Lipskis was awarded a Fellowship and Diplomate status by the American Board of Craniofacial Pain (ABCP). He was granted Diplomate status in Sleep Dentistry in 2013. In 2014 he was presented the Haden Stack Award for his role in

continuing education. Dr. Lipskis has also obtained his Diplomate Status from the International Board of Orthodontics (IBO), and is Senior Instructor for the IAO. Since 2017, he has devoted his professional time to The Centre for Integrative Orthodontics as a part of an Integrative specialty practice providing orthodontics, TMJ therapy, OSA treatment, Buteyko Breathing Instruction, Myofunctional Therapy and chiropractic care.

## Dr. Stephane Reinhardt

Boucherville, Quebec Canada

**Date & Time:** Saturday, April 2, 2022,  
from 8:00 am – 12:00 pm & 2:00 pm – 5:00 pm

**CE Hours:** 3.75 & 2.75

### SUCCESSFUL INTEGRATION OF CLEAR ALIGNERS

**Description: Clear aligners are not the future anymore!** They are a part of what actual digital dentistry and orthodontics are. More and more general dentists are integrating this technology into their practices. With the increasing competition, with DSO expanding and taking control of the market, how will you differentiate yourself? How will you compete? Your patients want clear aligners, and they ask for them. Not offering this service in your office is missing the parade and an excellent opportunity for references.

In this full day of lecture we will go over:

- What can clear aligners do for you
- Case selection
- Basic clear aligner mechanics
- Clincheck 101: basic analysis
- Delivery and follow up
- Troubleshooting 101
- Clear aligners profitability

At the end of the day you will have a good idea about what clear aligners can bring to your patients, your team, your practice, and yourself. You will understand the stfienebof integrating these amazing appliances into your toolbox, and you will have some tips and tricks that you will be able to apply as soon as you go back to work. It's time to make the MOVE!

With more than 1500 cases of clear aligners completed since 2004, Dr. Stephane Reinhardt shares his passion and knowledge to dentists and team

members who want to integrate efficiently and successfully clear aligners in their day to day practice. After winning the 2015 Invisalign Summit Shootout, Dr. Reinhardt started to lecture internationally and is now a leader authority in clear aligner education. He shares his time between his limited practice to clear aligners and his position as Director of the Education Program for The C.L.E.A.R. Institute.

### Dr. Yosh Jefferson

Mount Laurel, New Jersey USA

**Date & Time:** Saturday, April 2, 2022,  
from 8:00 am – 12:00 pm

**CE Hours:** 3.75

### TREAT TO THE FACE, AND EVERYTHING WILL FALL INTO PLACE

**Description:** There is no mystery for orthodontic practitioners: Treat all patients by adhering to the following biologic concept: Divine Proportion = Facial Beauty = Total Health and Wellness. This is the purist, simplest, and the most consequential concept of our time. Treat to the face and you will maximize facial beauty, alleviate multitude of medical problems, maximize emotional and psychological health, improve academic and athletic performance, slow down the aging process, and maximize quality of life. And it will immensely simplify treatment of dental malocclusions. You will learn all these concepts through beautifully illustrated and simple and direct explanations.

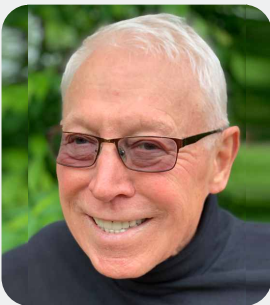

"Simple can be harder than complex: You have to work hard to get your thinking clean to make it simple. But it's worth it in the end because once you get there, you can move mountains." – **Steve Jobs**

Outcomes: Following the conclusion of this session each attendee will be able to:

- a. Define the universal standard for facial beauty regardless of race, age, sex, etc.
- b. Learn Jefferson Ceph analysis that takes less than 5 minutes to trace and to diagnose to treat patients towards Divine Proportion/Facial Beauty/Health.
- c. Understand the bio-mechanics of how treating to Divine Proportion/Facial Beauty will alleviate multitude of medical problems such as TMD, Sleep Apneas, Migraine Head-aches, ADD/Hyperactivities, poor growth/development, poor academics, Grand Mal seizures, etc.

- d. Learn simplified and efficient techniques to treat Skeletal II's, III's, short faces, long faces, and anterior open bites.

Dr. Yosh Jefferson is past president of the International Association of Orthodontics, NJ Academy of General Dentistry, past editor of the International Journal of Orthodontics, and past IBO board examiner. He has been awarded Fellowships in American College of Dentists, International College of Dentists, Master in Academy of General Dentistry, IBO Board Diplomate, and IAO Master Senior Instructor. He has been published and has lectured nationally and internationally. Internationally, he has lectured in India, Ethiopia, Poland, Japan, New Zealand, Australia, Canada, Philippines, Mexico, Dubai, and Brazil. He has authored a book, Jefferson Cephalometric Analysis. He is known among orthodontic practitioners as an expert on facial beauty and its direct impact on total health and wellness. He proposes a dental subspecialty for doctors who treat medical issues via craniofacial harmonization as Doctor of Craniofacial Therapy, DCFT©.

Dr. Adrian J. Palencar

St. Catharines, Ontario Canada

**Date & Time:** Saturday, April 2, 2022,  
from 8:00 am to 12:00 pm

**CE Hours:** 3.75

### CASE PRESENTATION OF VERY CHALLENGING AND COMPLEX CASES

**Description:** The speaker will be presenting numerous interesting, challenging and complex cases. Many of them were verbalized and published in the International Journal of Orthodontics and Spectrum Ortho. The presented cases will entail a melange of TM dysfunction treatment - after the therapeutic position was crystalized, tooth transposition cases, cases treated with the assistance of Temporary Anchorage Device (TAD, Miniscrew) and extraction cases. The presenter will also introduce the audience to the Micro osteo-perforation (MOP) technique. Following the conclusion of this presentation the attendees will have learned the principles and the protocol for stable finishing of patients with TM dysfunction, as well as indication and contraindications for the last resort of orthodontic treatment – extraction of permanent teeth. They also will have learned the indications and placement techniques of TADs and the advantages of accelerated orthodontic treatment with the assistance of the Micro osteo-perforation technique.

Dr. Adrian J. Palencar graduated from Komensky University in Bratislava, Slovakia, with the degree Doctor of Universal Medicine, and a specialty in Stomatology. He was recertified at Western University, Ontario, Canada in 1970. Dr. Palencar is Master of the AGD, Diplomate of the IBO, Fellow of the Academy of Dentistry International, Fellow of the Pierre Fouchard Academy and a Fellow of the International College of Dentists. Dr. Palencar received his Pinsky Award in 2003 and an Award for authoring the most outstanding article published in the IJO in 2015. Dr. Palencar published 14 articles in the IJO and wrote a "Case Finishing" manual. In addition, Dr. Palencar is an IAO Master Senior Instructor and a Consultant to the IJO and Spectrum Ortho. He has been an Instructor at Rondeau Seminars for 17 years.

### Dr. Maridin Munda-Lacson

Quezon City, Manila, Philippines

**Date & Time:** Saturday, April 2, 2022,  
From 2:00 pm – 5:00 pm

**CE Hours:** 2.75

#### IN FOCUS: ORTHODONTIC CLINICAL CHALLENGES-TARGETING KEY SOLUTIONS

**Description:** The world of orthodontics needs to adapt to the challenging and changing times of the unexpected scenario through our mechanics and methodologies. The ideal approach to the various treatment modalities in orthodontics will be made simpler and precise through analyzing the diagnostic records and evaluating its end result. This practical presentation will zero-in on what are the key points to focus and address the many pitfalls to detail and fine-tune expected results. Utmost emphasis would be given on alternative ways to treat the unexpected and reroute the treatment plan.

Outcomes:

- Thorough evaluation and diagnostic set up of the various types of malocclusion.
- Improve treatment modality, efficiency and guidelines on starting and finishing orthodontic cases.
- Integrate the simplified approach to different malocclusions for the maximum board-standard finished case.
- Recognize the importance on the application of faster, easier and better problem-oriented, treatment-focused mechanotherapy.

Dr. Maridin C. Munda-Lacson is the current President of the International Association for Orthodontics. She has served in the International Board of

Orthodontics as a Board Examiner (2014- 2019) and the IAO Education Committee(2009-2012). She graduated from the International Program of Orthodontics in New York University (1996-1998). She is a faculty in the Department of Orthodontics of the University of the East, Graduate School in Manila, Philippines (2008-up to present). Graduated as Master of Science in Dental Education at U.E. Graduate School (2012-2014). Dr. Munda- Lacson received her Fellow (2007) and Diplomate Status and Master Senior Instructor from the I.A.O.(2012). She has been in practice for 30 years (Graduated, 1992- University of the East) and was awarded as the "Distinguished Dental Clinician".

## Dr. Simon Wong

Moonee Ponds, Victoria Australia

**Date & Time:** Sunday, April 3, 2022,  
from 8:00 am – 12:00 pm

**CE Hours:** 3.75

### CONTROLLING HYPERDIVERGENT GROWTH: THE DREAM AND THE REALITY

**Description:** Dr. Simon Wong will be providing an in depth lecture on Controlling Hyperdivergent Growth. Dr. Wong will review Aetiology of Malocclusion. By the end of the course each attendee will learn about:

- Early intervention
- Treatment objectives
- Transverse, AP and Vertical Control
- Realistic outcomes

Dr. Simon Wong graduated Dental School from University of Melbourne Bachelor of Dental Science in 1991. He opened his own practice called Natural Smiles Centre. Dr. Wong's professional background includes Profesor Visitante University of Valencia, Department of Orthodontics 2016-17. Research study: Vertical control in dentofacial orthopaedics- University of Alberta, Department of Orthodontics. Research study: Hyperdivergent growth control- Texas A&M University, Department of Orthodontics. Dr. Wong is a Fellow of International College of Continuing Dental Education (Orthodontics), Diplomat of London School of Facial Orthotropics, and Fellow of International Academy for Dental Facial Esthetics
