

# IAO 2023 ANNUAL MEETING

*Mini Residency to Connect the  
Relationships Between*

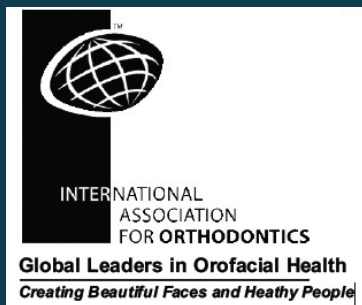

*Orthodontics, Airway, and Occlusion*

*Caribe Hilton, San Juan, Puerto Rico*

*Come for the education,  
Stay for the vacation!*

**APRIL 26-30,  
2023**

# 2023 IAO ANNUAL MEETING REGISTRATION

Please type or boldly print and give full names:

Name of Dentist: \_\_\_\_\_

Name of Spouse/Guest: \_\_\_\_\_

Name of Auxiliary/Staff: \_\_\_\_\_

Name of Auxiliary/Staff: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State/Province: \_\_\_\_\_ Postal Code: \_\_\_\_\_

Country: \_\_\_\_\_ Business Phone: \_\_\_\_\_

Is this your first time attending the IAO Annual Meeting \_\_\_\_ Yes \_\_\_\_ No

**Registrations:**

	<u>BEFORE / ON MARCH 1</u>	<u>AFTER MARCH 1</u>	<u>#</u>		<u>TOTALS</u>
IAO	\$1,195	\$1,495	_____	=	\$ _____
Non IAO*	\$1,533	\$1,833	_____	=	\$ _____
Auxiliary /Staff	\$675	\$675	_____	=	\$ _____
Spouse / Guests	\$675	\$675	_____	=	\$ _____

\*Includes a one year IAO Membership

**EXTRA Event Tickets:**

General Assembly Luncheon (1)	\$60	\$60	_____	=	\$ _____
Annual Banquet (2)	\$85	\$85	_____	=	\$ _____
Jungle Expedition Tour (3)	\$65	\$65	_____	=	\$ _____
Secret Island Adventure (3)	\$55	\$55	_____	=	\$ _____

- Notes: (1) This activity is included in all registrations EXCEPT the Spouse/Guest registration fee.  
(2) This activity is included in all registrations. Others not registered may purchase separate tickets.  
(3) This activity is only included in the spouse/guest registration. Others may purchase separate tickets.

GRANDTOTAL = \$ \_\_\_\_\_

# **SCHEDULE OF** **EVENTS**

## **WEDNESDAY, APRIL 26, 2023**

8:00 am – 5:00 pm	IBO Board Meeting
8:00 am – 5:00 pm	Instructor Forum*
8:00 am – 12:00 pm	IBO Written Examination
8:00 am – 12:00 pm	Special Spanish Program, Dr. Bernardo “Coco” Garcia: “Weaving the Interrelationship Between Bracket Mechanic and Proper Occlusion; Finding the Correct Bracket for Each Case”
2:00 pm – 4:00 pm	Combined IAO Annual Budget and Finance & Strategic Planning and Marketing Committees Meeting
2:00 pm – 5:00 pm	Special Spanish Program, Dr. Bernardo “Coco” Garcia: “Weaving the Interrelationship Between Bracket Mechanic and Proper Occlusion; Finding the Correct Bracket for Each Case”
5:00 pm – 7:00 pm	Combined IAO Education & Annual Meeting Committees Meeting

## **THURSDAY, APRIL 27, 2023**

7:00 am – 7:00 pm	Meeting and Exhibitor Registration Desk Open
7:30 am – 8:00 am	Breakfast (1)
8:00 am – 12:00 pm	Dr. Salvatore Lotardo: “Restorative Driven Orthodontics”
8:00 am – 12:00 pm	Dr. Bernardo “Coco” Garcia: “Trouble Shooting Mechanics in Orthodontics”
8:30 am – 4:30 pm	IAO Executive Board Meeting
10:00 am – 10:30 am	Break
12:00 pm – 1:30 pm	Lunch generously sponsored by Fortune Law Firm (2)

2:00 pm – 5:00 pm	Dr. Salvatore Lotardo: “Restorative Driven Orthodontics”
2:00 pm – 5:00 pm	Dr. Bernardo “Coco” Garcia: “Trouble Shooting Mechanics in Orthodontics”
2:00 pm – 5:00 pm	Dr. Brandi Lindsey: “Vertical Dimension and Arch Length”
3:30 pm – 4:00 pm	Break
5:00 pm – 7:00 pm	IAO President’s Reception in Exhibit Hall (1)

## **FRIDAY, APRIL 28, 2023**

7:15 am – 5:00 pm	Meeting Registration Desk Open
7:30 am – 8:00 am	Breakfast (1)
7:30 am – 12:00 pm	Exhibit Hall Open
8:00 am – 12:00 pm	Dr. Jin Song: “Interceptive Orthodontic Treatment for Children”
8:00 am – 12:00 pm	Dr. Lee Willis: “Overcoming a multitude of issues from Maxillary Underdevelopment”
8:00 am – 12:00 pm	Dr. H. Michael Sefranek: “It’s Not Over Till It’s Over – Forward Facial Growth Enabling Straightwire Mechanotherapy”
10:00 am – 10:30 am	Break in Exhibit Hall
12:15 pm – 1:30 pm	General Assembly Luncheon generously sponsored by Legally Mine (2)
1:30 pm – 5:45 pm	Exhibit Hall Open
1:30 pm – 4:00 pm	Caseworx Masterclass (5)
2:00 pm – 5:00 pm	Dr. Jin Song: “Interceptive Orthodontic Treatment for Children”
2:00 pm – 5:00 pm	Dr. Lee Willis: “Overcoming a multitude of issues from Maxillary Underdevelopment”
2:00 pm – 5:00 pm	Dr. Gary Disanto-Rose: “Early Orthodontic Treatment: What, Why, When, and How to Treat”
2:30 pm - 4:30 pm	Spouse/Guest Tour: BACARDI Distillery Tour and Mixology Class
3:30 pm – 4:00 pm	Break in Exhibit Hall

## **SATURDAY, APRIL 29, 2023**

7:15 am – 5:00 pm	Meeting Registration Desk Open
-------------------	--------------------------------

7:30 am – 8:00 am	Breakfast (1)
7:30 am – 4:00 pm	Exhibit Hall Open
8:00 am – 12:00 pm	Dr. G. Dave Singh: “Airway, Breathing and Sleep: Orthodontic Perspectives”
9:30 am - 2:30 pm	Spouse/Guest Tour: Old San Juan Historical Tour and Shopping
10:00 am – 10:30 am	Break in Exhibit Hall
11:30 am – 12:30 pm	Set Up Table Clinic/Case Displays
12:30 pm – 2:00 pm	Table Clinics & Case Displays
1:30 pm – 4:00 pm	Caseworx Masterclass (5)
2:00 pm – 5:00 pm	Dr. G. Dave Singh: “Airway, Breathing and Sleep: Orthodontic Perspectives”
3:00 pm – 3:30 pm	Sundae Dessert-A-Thon in Exhibit Hall
7:00 pm – 11:00 pm	Annual Meeting Reception (1)

## **SUNDAY, APRIL 30, 2023**

7:45 am – 10:30 am	Meeting Registration Desk Open
7:30 am – 8:00 am	Breakfast
8:00 am – 12:00 pm	Dr. Kenneth Lau: “Significance of TM Joint in Orthodontics, TMD, and OSA Diagnosis and Treatment”

## **NOTES:**

- (1) This activity is included in all registrations. Others not registered may purchase separate tickets.
- (2) This activity is included in all registrations EXCEPT the Spouse/Guest registration fee.
- (3) This activity is included in Spouse/Guest registration fee only. Others must purchase separate tickets.
- (4) This activity is included in Auxiliary/Other Staff registration fee.
- (5) Reservations for Caseworx Masterclass must be made at the IAO Meeting Registration Desk in advance.
- (t) 2023 Course appropriate for entire staff

\*Must Pre-Register

# IAO INSTRUCTOR FORUM

## \*MUST PRE-REGISTER

### SPECIAL WEDNESDAY SESSION (INCLUDED IN MEETING REGISTRATION)

The International Association of Orthodontics is proud to present the fifth annual Instructor's Forum. The IAO has appointed seasoned alumni to participate as moderators in this unique opportunity. They will listen to speakers made up of lecturers looking to hone their talent. The IAO's guest moderators will provide valuable knowledge to improve the skills of each speaker. The Forum will be held Wednesday, April 26, 2023. The Forum's audience will be open to all attendees of the Annual Meeting. All participants will need to pay and register for the Annual Meeting.

To participate as a presenter, you must sign up by January 27, 2023. Please contact the IAO headquarters office for an application or go to [www.iaortho.org](http://www.iaortho.org) to apply online.

*The costs and registration forms for the meeting can be found at [www.iaortho.org](http://www.iaortho.org)*

The 2023 IAO Annual Meeting has evolved. It is still the lecture series for GPs practicing orthodontics. It will also once again be held at an unparalleled venue. However, the 2023 installment has been organized into a mini-residency.

Follow world class lectures and master diagnosis and treatment of patients' dental problems of oral complex function from Orthodontics to OSA. You will learn about diagnosis, treatment, and solving problems involving Occlusion, Adult Airway, Children's Airway, and TMD. The successful treatment result is a stable occlusion with balanced oral facial muscle function. Your sharpened skills and increased knowledge will lead to happy & healthy patients. There is no better referral and practice management system than a glowing review from a thrilled patient.

To further your treatment technique, you will also learn about the everyday orthodontic technique of Wire Bending, Arch Development, Arch Length Co-Ordination, Minor Tooth Space Management, and even Wire Welding Technique. Further into diagnosis and treatment, you will have an in-depth understanding of Early Interceptive orthodontics from two different experts.

Best of all, those who complete all the courses with this rare group of distinguished lecturers will earn a Special Achievement Certificate from Global Leaders on Interrelationships of Orthodontics, Airway, and Occlusion.

To summarize, this 2023 annual meeting is better than any mini orthodontic residency you can get for this very inexpensive meeting fee of \$1,195.00. Please join us to see what the 2023 IAO Annual Meeting can offer you!

# SPECIAL SPANISH SESSION

## DR. BERNARDO H GARCIA

North Prairie, Wisconsin USA

**Wednesday, April 26, 2023**

8:00 am-12:00 pm

2:00 pm - 5:00 pm

CE Hours: 3.75

### WEAVING THE INTERRELATIONSHIP BETWEEN BRACKET MECHANICS AND PROPER OCCLUSION; FINDING THE CORRECT BRACKET FOR EACH CASE

**Description:** Dr. Garcia will provide a special lecture that combines his half-day mechanics program with occlusal trouble shooting and planning the correct bracket treatment for easy, camouflage, and surgical cases.

This one-of-a-kind presentation will be provided in Spanish. Attendees will learn the following outcomes:

- The Cause and Solution
- Wire Bending for Class II and III Mechanics
- Bend Negative Torque on Class II
- Lower Arch Plus Curve and Importance of Arches in Slot Use
- Occlusal Plane With Multiple Deviation, Skeletal, Dental or Both
- Detecting Deviation Issues From Early Ages to Adult Stages
- Selecting the Correct Bracket for Easy Cases, Camouflage Cases, and Surgical Cases

Dr. Bernardo Garcia holds Diplomate and Master Senior Instructor Certificates with the IAO. Dr. Garcia is also the Founder and Director of International Straight Wire and Orthopedic Seminars, Inc. (ISWOS) and the director of Centro de Orthodoncia in Tijuana, BC, Mexico with over 700 patients. Since June of 2019, Dr. Garcia has become the director of International Orthodontic Department at the UCAM in Spain. He has received dental and orthodontic degrees from National Autonomous University of Mexico and the University of Latin America, both located in Mexico City. Dr. Garcia has been involved in teaching orthodontics and functional appliances since 1985 throughout Canada, United States, Chile, Mexico, Puerto Rico, Poland Spain, Holland, Portugal, Germany, and Australia. He has developed a diagnosis system that is extremely effective and uses a commonsense approach to mechanics and diagnosis. Dr. Garcia has established three orthodontic centers with teaching facilities in Germany, and Spain and over 30 study clubs set up for course participants to continue their orthodontic education.

## **DR. SALVATORE LATARDO**

Roslyn, New York USA

**Thursday, April 27, 2023**

8:00 am-12:00 pm

2:00 pm-5:00 pm

**CE Hours: 3.75 & 2.75**

### **RESTORATIVE DRIVEN ORTHODONTICS**

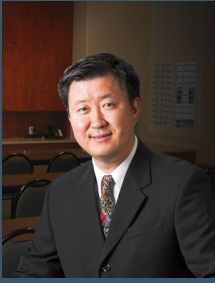

**Description:** The outcomes for implant and esthetic restorations can be enhanced and made more predictable when orthodontics is incorporated into the treatment plan. There has been considerable improvement in utilizing multidisciplinary approaches but a lack of cross education in orthodontics, implants and cosmetic dentistry has led to sub-optimized results, especially in an adult population with high esthetic expectations. This presentation will provide insights to the case types where diagnosis, smile design and treatment recommendations will benefit with restorative driven orthodontics.

Following conclusion of this lecture the attendees will be able to:

- Learn to identify case types where orthodontics is indicated to improve outcomes
- Understand how orthodontics can be incorporated into your esthetic and implant cases
- Understand the metrics of smile design and unify your diagnostic systems

Graduate of Stony Brook School of Dentistry, New York. Dr. Lotardo is the owner of Bella Smiles of Long Island, a multi- location group practice focused on comprehensive cosmetic dentistry. He is also Past President and Accredited Member of the Academy of Cosmetic Dentistry. Dr. Lotardo is a renowned International Speaker and Published Author on Smile Design and Restorative Driven Orthodontics. He also holds the title of Past Chairman of the American Board of Cosmetic Dentistry, and is Member of the following- AACD, AOS, AAID, ADA.

***Conflict of Commercial or Promotional Interests:*** None

## **DR. JIN SONG**

San Diego, California USA

**Friday, April 28, 2023**

8:00 am-12:00 pm

2:00 pm-5:00 pm

**CE Hours: 3.75 & 2.75**

### **INTERCEPTIVE ORTHODONTIC TREATMENT FOR CHILDREN**

**Description:** Simple and effective Orthodontic treatment modalities, Straightwire Mechanics, and Functional Expansion Appliances, will be presented to correct dental and dentofacial orthopedic deficiencies.

Following conclusion of this lecture the attendees will be able to:

- Diagnose when Interceptive Orthodontic Treatment is indicated
- Correct Anterior and Posterior Crossbites in the Primary/Mixed Dentition
- Use Straightwire Mechanics to create space for impacted Permanent Teeth
- Understand the indication and use of Functional Expansion Appliances
- Comprehend that correction of dental and dentofacial orthopedic deficiencies is essential for proper growth and development of children

Dr. Jin Song is a 1991 graduate of Loma Linda University School of Dentistry. He is in private practice in San Diego, California. Dr. Song is a Certified Instructor for the IAO. He founded the Orthodontic Education Continuum in 2001. He lectures internationally throughout the US and Canada.

**Conflict of Commercial or Promotional Interests:** None

## **DR. GARY DISANTO-ROSE**

Johnstown, New York USA

**Friday, April 28, 2023**

8:00 AM-12:00 PM

**CE Hours: 3.75**

### **EARLY ORTHODONTIC TREATMENT: “WHAT, WHY, WHEN, AND HOW TO TREAT”**

**Description:** Every day, dentists face the dilemma of being able to recognize early childhood growth and developmental problems, and to decide when and what treatment options are best for their patients. This course will discuss the importance of diagnosing airway problems, crossbites, Class IIIs, deep bites, crowding, and habits, and their effects on the development of the oral-cranio-facial complex. Timing and various treatment modalities for these issues will be reviewed.

Upon completion, participants will have gained an understanding on:

- The importance of taking good records to establish a comprehensive diagnosis
- The importance of early treatment for airway problems, habits, Class II's, crossbites, crowded arches, and deep bites
- The significant impact that airway problems can have on the growth and development in children
- How to correct deep bites in children using composite build ups, preserve arch length, and correct cross bites

After graduating from the University of Pennsylvania SDM in 1979 and completing a general practice residency program, Dr. DiSanto-Rose and his family moved back to the Adirondack Mountains in upstate New York where he began his general dental practice in Johnstown, NY.

He is a Fellow in both the Academy of General Dentistry (AGD) and the International Association for Orthodontics (IAO). In 1987, he received a certificate of completion from Long Island University for orthodontic studies. He continued his orthodontic training and became a member of the New England Chapter of the IAO in 1989. He received the IAO Fellowship Award in 1997, and completed the IAO Instructor's Institute in 2010, receiving his Senior Instructor's Certification. Since his membership in the IAO, he has earned over 3000 credit hours in orthodontic studies and has remained an active member in the New England Chapter where he has been an instructor since

2006. He is also a member of the Fourth District Dental Society of the State of New York, the ADA, and the American Academy of Physiologic Medicine and Dentistry.

*Conflict of Commercial or Promotional Interests:* None

## DR. LEE WILLIS

Roseburg, Oregon USA

**Friday, April 28, 2023**

8:00 am – 12:00 pm

2:00 pm – 5:00 pm

CE Hours: 3.75 & 2.75

### OVERCOMING A MULTITUDE OF ISSUES FROM MAXILLARY UNDERDEVELOPMENT

**Description:** This course will bring together the advantages of Orthodontics as well as methods in General Dentistry, as they often collide back and forth in TMD treatment plans of the underdeveloped Maxilla. This course will have examples of cases treated, along with details on how to overcome obstacles that complex TMD cases present. New ideas in bite opening of the deep bite and how to surgically locate and treat impacted canine retrievals using traditional ortho with more efficient methods.

Following the conclusion of this session each attendee will have gained insight on:

- Problem-solving multiple different treatment plans for issues related to the underdeveloped Maxilla
- Utilizing new techniques in retrieving impacted canines
- Learning how to do in-house simple Ortho lab work, saving thousands of dollars each year
- Knowing when to use Porcelain over Ortho and when to use Ortho over Porcelain
- Improving your case presentations and acceptance with your patients

Dr. Lee Willis graduated from the University of the Pacific School of Dentistry in 1996. In 2001, Dr. Willis decided to learn more about dentistry and started his journey into the study of orthodontics. It wasn't long before the theories of TMD grabbed his full attention. Dr. Willis practices in Roseburg, Oregon doing mostly TMD dentistry and orthodontics with a special interest in

reverse extraction orthodontics. He has written numerous articles and lectured both nationally and internationally on TMD. Dr. Willis has served the last 8 years on the International Board of Orthodontics as one of the Board Examiners and is now currently the President of the IBO. Dr. Willis enjoys being a part of the IAO and the great friends he has met in this organization.

*Conflict of Commercial or Promotional Interests:* None

# GENERAL ASSEMBLY LUNCHEON & SPEAKER

## Legally Mine: Protecting Your Business and Personal Assets

Friday, 12:15 PM – 1:30 PM

Legally Mine is the largest, most respected, experienced, and comprehensive lawsuit protection company in America. Running a business gives you enough to worry about. Let Legally Mine reduce your anxiety and business risk by providing streamlined, effective, and easy-to-use products, backed by expert customer service and a reputation built by longevity and client satisfaction.

### BRANDI M LINDSEY

San Antonio, Texas USA  
Thursday, April 27, 2023  
2:00 pm – 5:00 pm  
CE Hours: 2.75

## VERTICAL DIMENSION AND ARCH LENGTH

**Description:** We will calculate arch length, evaluate vertical dimension and treatment plan your orthodontic case to compensate for discrepancies.

Following conclusion of this session each attendee will be able to:

- Calculate arch length
- Use appliances, interproximal reduction, and orthodontic methods to solve arch length discrepancy
- Open and close vertical dimension using orthodontic auxiliaries
- Control Vertical Dimension in your orthodontic cases

Dr. Brandi Lindsey graduated from the University of Detroit Mercy School of Dentistry in 2010. In 2015, Dr. Lindsey decided to pursue more education in orthodontics. Dr. Lindsey was immediately hooked on how orthodontics could help her solve patients' problems and aid in restorative treatments. Dr. Lindsey practices in San Antonio, Texas, doing mostly TMD dentistry and orthodontics. Dr. Lindsey has enjoyed participating in the IAO activities and meetings. In 2022, she received her Diplomate with the International Board of Orthodontics.

*Conflict of Commercial or Promotional Interests:* None

## **DR. BERNARDO H GARCIA**

North Prairie, Wisconsin USA

**Thursday, April 27, 2023**

8:00 am-12:00 pm

CE Hours: 3.75

## **TROUBLESHOOTING MECHANICS IN ORTHODONTICS**

**Description:** Dr. Garcia will lead a half-day lecture on wire bending. As you can see below, it goes well beyond the simple mechanics. This is a fully encompassing course designed to guide attendees not only through bending, but also in identifying and troubleshooting common issues that arise and beyond.

Following the conclusion of this lecture, attendees will have gained understanding on:

- Wire Bending for Class II Mechanics
- Wire Bending for Class III Mechanics
- Bend Negative Torque on Class III
- Lower Arch Plus Curve
- Negative Torque Bend for Class II Mechanics on Lower Arch
- Importance of use of Arches in Slot

- Round Versus Rectangular
- Advantages of Self Ligating
- Double 3 Arch with Twin Brackets

Dr. Bernardo Garcia holds Diplomate and Master Senior Instructor Certificates with the IAO. He is also the Founder and Director of International Straight Wire & Orthopedic Seminars, Inc. (ISWOS) and Director of Centro de Orthodoncia in Tijuana, BC, Mexico, with over 700 patients. Since 2019, Dr. Garcia has become the director of International Orthodontic Department at the UCAM in Spain. He has received dental and orthodontic degrees from National Autonomous University of Mexico and the University of Latin America, both located in Mexico City. Dr. Garcia has been involved in teaching orthodontics and functional appliances since 1985 throughout Canada, United States, Chile, Mexico, Puerto Rico, Poland Spain, Holland, Portugal, Germany, and Australia. He has Developed a diagnosis system that is extremely effective and uses a common sense approach to mechanics and diagnosis. Dr. Garcia has established three orthodontic centers with teaching facilities in Germany, and Spain and over 30 study clubs set up for course participants to continue their orthodontic education.

### **DR. H. MICHAEL SEFRANEK**

Swansea, Massachusetts USA

**Friday, April 28, 2023**

8:00 am-12:00 pm

CE Hours: 3.75

## **IT'S NOT OVER TILL IT'S OVER – FORWARD FACIAL GROWTH ENABLING STRAIGHTWIRE MECHANOTHERAPY**

**Description:** This course displays a technique based on over 25 years of attending and video reviewing orthodontic CE at the local and national levels at approximately 80 credits per year. The lecturer has contracted speakers for the IAO New England for close to 20 years and has made it a point to incorporate elements from many of the presented techniques to develop this treatment philosophy, which has recently gained much publicity with the Dr. John & Mike Mew Article in The New York Times Aug. 20, 2020. The approach is based on over 20 years of photographically documented cases and case follow-ups.

Following the conclusion of this lecture, attendees will have gained understanding on:

- Avoiding Relapse, Gingival Recession, Sleep Apnea, Root Resorption, TMD
- Encouraging Proper Airway Development
- Non-Extraction, Non-IPR, Non-Retractive approach
- Anterior Centric Early Treatment with coupling & torque control
- Guided Eruption
- Myofunctional Therapy
- Unilateral & bilateral impression-free chairside fabricated Space Maintenance
- Non-Lab based straightwire approach, avoids lab fees
- Tweed & Roth plier finishing techniques for lower anterior crowding and upper esthetics
- Piggyback wire arch development
- Vertical Development
- Anterior Maxillary Alveolar development
- Mandibular non-surgical Advancement

H. Michael Sefranek DMD, MAGD completed his DMD degree at the University of Connecticut in 1989. The presenter has lectured on orthodontics at New York University School of Dentistry (where he completed a two-year continuing education program in orthodontics), the New York County Dental Society, the Rhode Island AGD (Academy of General Dentistry), the International Association for Orthodontics (IAO) national meeting, and IAO New England (where he has taught the Advanced in-house Seminar Series of 10 lectures spanning 2 years). He is past president of the IAO New England, past president of the Rhode Island AGD, as well as past president of New England Mastertrack. Dr. Sefranek has been the National Delegate, Marketing Director/Webmaster and Speaker Coordinator for the IAO New England for the past 18 years. He has also been a clinical faculty member at the Advanced Education in General Dentistry program at University of Connecticut where he lectured on cosmetic dentistry and has been a clinical research associate with the PEARL Network at NYU School of Dentistry. The lecturer has owned a cosmetic/orthodontic and pediatric, general dental practice since 1991 and completed construction on a new 7,500 sq. ft. dental office building in 2017.

*Conflict of Commercial or Promotional Interests:* None

## **DR. G. DAVE SINGH**

Sandia Park, New Mexico USA

**Saturday, April 29, 2023**

8:00 AM-12:00 PM

2:00 PM-5:00PM

CE Hours: 3.75 & 2.75

### **AIRWAY, BREATHING AND SLEEP: ORTHODONTIC PERSPECTIVES**

**Description:** The aim of this course is to visit various topics associated with clinical growth and development of the upper airway and discuss the potential impact of craniofacial orthodontics on the upper airway, breathing and sleep.

Following conclusion of this session each attendee will be able to:

- Recognize the importance of appropriate upper airway development in patients
- Identify normal/abnormal development and function of the paranasal air sinuses
- Understand the significance of screening and diagnostic processes for obstructive sleep apnea (OSA)
- Identify a treatment plan using oral appliance/orthodontic therapy for OSA, where appropriate
- Recognize the significance of early treatment for the accommodation/non-extraction of wisdom teeth

Dr G. Dave Singh DMD, PhD, DDS, is Adjunct Professor in Sleep Medicine, Stanford University, USA. He is an Academic Fellow of the World Federation of Orthodontists and a Senior Instructor for the IAO. Dr. Singh has authored books on epigenetic orthodontics and craniofacial sleep medicine.

**Conflict of Commercial or Promotional Interests:** None

## **DR. KENNETH LAU**

Pendleton, Indiana USA

**Sunday, April 30, 2023**

8:00 am-12:00 pm

CE Hours: 3.75

### **SIGNIFICANCE OF TM JOINT IN ORTHODONTICS, TMD, AND OSA DIAGNOSIS AND TREATMENT**

**Description:** Orthodontics, TMD, and OSA diagnosis treatment failed because the TM Joint was not considered. The treatment protocol is to treat the cause of the problems and not just treating the symptoms. Occlusion and Oral facial Dysfunctions are best defined as dysfunction of the Teeth-Muscles-Jaw joint complex.

Following the conclusion of this session, each attendee will be able to:

- Understand the TM Joint anatomy
- Identify the different TM Joint conditions
- The advantage of CBCT in TM Joint diagnosis and treatment
- Provide the appropriate information for effective treatment

Kenneth Lau, DDS, graduated from Indiana University School of Dentistry and is President of IAO. He attained his IBO Diplomate and is a Master Senior Certified Instructor for the IAO. He also achieved ICCMO Diplomate and Distinguished Fellow of AACP.

**Conflict of Commercial or Promotional Interests:** Dr. Lau is co-owner of JKLSoftware LLC, which developed CaseWorx, TOODS, and Cephworx.

## **For further questions, contact the International Association for Orthodontics:**

# GENERAL INFORMATION

## **CARIBE HILTON** **1 C. SAN GERONIMO** **SAN JUAN, PUERTO RICO 0091**

### **MEETING HEADQUARTERS HOTEL RESERVATION INFORMATION**

Special sleeping room rates have been secured at the hotel: US \$222 for King or Double room with balcony (single or double occupancy) or \$273 for a Junior Suite, single or double occupancy. This constitutes a savings for IAO 2023 Annual Meeting attendees of over \$200 per room per night less than the regular rate! This special rate can only be accessed by calling the hotel directly and mentioning the IAO Annual Meeting or booking online at [www.iaortho.org](http://www.iaortho.org) and clicking the **2023 Annual Meeting Room Reservations** link.

**IMPORTANT:** These special room rates are good on or before March 3, 2023, and are on a first come, first served basis. After March 3, or before if the IAO room block sells out, reservations will be accepted on a space-availability basis and the special room rate cannot be guaranteed. The number of hotel rooms at this special group rate is limited and it is suggested that you make room reservations as early as possible.

### **AIRPORT INFORMATION**

Luis Muñoz Marín International Airport (SJU) is a joint civil-military international airport named for Puerto Rico's first democratically elected governor and located in suburban Carolina, Puerto Rico, three miles southeast of San Juan. Domestic and International flights arrive and depart daily. Passports ARE NOT required for US Citizens, however they are recommended for ease of travel. Check the TSA website for the latest travel ID requirements: [www.tsa.gov](http://www.tsa.gov).

# INTERNATIONAL ASSOCIATION FOR ORTHODONTICS

We are pleased to partner with United Airlines for air travel to our upcoming event.

Reservations can be made online at the IAO Annual Meeting Page

MileagePlus members can earn Premier Qualifying Dollars and miles for their travel

You may also call the United Meeting Reservation Desk at (800) 426-1122.  
Use discount code: 2MG8144361

Booking fees are waived for Meeting reservations. International customers may contact their local United Reservation Desk.

## FOR DENTISTS OUTSIDE THE UNITED STATES AND CANADA

Be sure to make travel arrangements well in advance to include obtaining all necessary visas to enter Puerto Rico. Check with your local Embassy or Consulate for your nationality's requirements for visiting the US. The IAO headquarters office will gladly send interested dentists an official invitation to attend the annual meeting if requested.

## SAN JUAN AREA ATTRACTIONS

As the second-oldest European-founded city in the Americas, San Juan is the beating heart of history and culture in Puerto Rico. A place where the Old World meets the new in fascinating ways, San Juan is also a hub of more modern pursuits, including shopping, dining, and nightlife.

- Explore the Caribbean treasures of this colonial-yet-cosmopolitan city!

- Check the IAO's Facebook: IAO and International Association for Orthodontics.
- Instagram @IAOrtho for updates on where to eat, what to do, and where to go!

## ADVICE

Doctors are cautioned against the use of limited knowledge when incorporating techniques and procedures into their practices, especially when a session has not provided them with the necessary supervised clinical experience in the technique or procedure to ensure that they have attained competence.

## CANCELLATION AND REFUND POLICY

All paid meeting registrations will be fully refunded on or before April 6, 2023. Paid registration cancellations between April 6 and April 20, 2023 will be refunded half

of registration paid. There will be no refunds after April 20, 2023. In the event that the IAO Annual Meeting is cancelled, a full refund will be made to all advanced registrants. Cancellation of an individual speaker will not be cause for a refund.

## ABOUT THE IAO

- The International Association for Orthodontics (IAO) is the oldest national and international non-specialty orthodontic group in existence.
- The IAO was formed in 1961 to promote national and international cooperation in the orthodontic field of dentistry.
- The IAO maintains membership categories for dentists to promote and recognize continuing orthodontic education excellence for its members.

**ANNUAL MEETING OBJECTIVES CAN BE FOUND AT  
[WWW.IAORTHO.ORG](http://WWW.IAORTHO.ORG)**

## SPECIAL INTEREST INFORMATION

### COMPLIMENTARY BREAKFAST

There will be a full breakfast provided between 7:30 AM and 8:00 AM on the mornings of Thursday, Friday, Saturday, and Sunday. Please note that the breakfast will end promptly at 8 AM in order to start morning sessions. This will be a courtesy to all persons registered for the meeting ONLY, no non-registered guests or children, please.

### IAO CONTINUING EDUCATION PROVIDER RECOGNITION

The IAO is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the ADA CERP at [www.ada.org/goto/cerp](http://www.ada.org/goto/cerp). The current term of acceptance extends from 6/2022 - 6/2025. The formal continuing education programs of this program provider are accepted by AGD for Fellowship/ Mastership credit.

## **IAO COURSE RECORDING PROGRAM**

After submitting their participation forms, IAO Members who attend the 2022 IAO Annual Meeting will have their courses recorded with the IAO Continuing Education Course Recording Program that is used in determining IAO Membership Professional Advancement.

## **THE PRESIDENT'S RECEPTION, GENERAL ASSEMBLY LUNCHEON AND ANNUAL CELEBRATION EVENING**

Please join us for three popular annual meeting functions, kicking off with our President's Reception on Thursday, April 27! Plan to meet your fellow attendees for a cocktail and light hors d'oeuvres welcomed by our current President, Dr. Kenneth Lau. The President's Reception will be held from 5 PM to 7 PM in the Exhibit Hall. This event is included in the Dentist, Spouse/Guest and Auxiliary/Staff registration fees. For non-registered attendees the charge is US \$75.

On Friday April 28, the General Assembly Luncheon will take place in the South Pacific Ballroom from 12:15 PM to 1:30 PM, generously sponsored by Legally Mine. Enjoy lunch and participate in the association's yearly general membership meeting. The luncheon is included in the Dentist and Auxiliary/Staff registration fees. For Spouses/Guests and non-registered attendees the charge is US \$60.

The Annual Celebration Evening is Saturday, April 29, from 7 PM to 11 PM. Please join us for a cocktail and heavy hors d'oeuvres in the Exhibit Hall. This reception is included in the Dentist, Spouse/Guest and Auxiliary/Staff registration fees. For non-registered attendees the charge is US \$85. Come in business casual or dress up, it's up to you! Formal attire is NOT required to attend.

## **THE EXHIBIT HALL – YOUR ORTHODONTIC MARKETPLACE!**

The 2023 IAO Annual Meeting's Exhibit Hall will feature exhibits from national and international vendors that provide both equipment and services to dentists who practice orthodontics. Attendees will have an opportunity to meet knowledgeable representatives who will answer their questions. The Exhibit Hall is open to all registered attendees. All breaks will be at the Exhibit Hall during operational dates. Vendors exhibiting in the exhibit hall, products lectured about and sponsored activities are not endorsed in any manner by the association.

## EXHIBIT HALL HOURS ARE AS FOLLOWS:

Thursday, April 27, 2023

5:30 pm – 7:00 pm

Friday, April 28, 2023

7:30 am – 12:00 pm & 1:30 pm – 5:30 pm

Saturday, April 29, 2023

7:30 am – 4:30 pm

### BACARDI Distillery Tour and Mixology Class

Friday, April 28, 2:30 pm - 4:30 pm

In this fun and interactive class, you will learn how to create the perfect Mojito and Shaken Piña Colada while learning about the history of these cocktails and some cool bar tricks and skills.

You'll start with a welcome cocktail at the Pavilion, visit the BACARDÍ Family Museum and discover our history and the craft of making the world's most awarded rum. Then, a BACARDÍ specialist will lead you through mixing two classic rum cocktails. At the end, you'll have access to purchase Casa BACARDÍ Special Reserve, their exclusive premium rum, not found anywhere else in the world! Transportation is included.

**Cost:** Included with Spouse/Guest registration fee. For others, the fee is US \$85.

### Old San Juan Historical Tour & Shopping

Saturday, April 29, 9:30 am – 2:30 pm

Explore the streets of Old San Juan and learn about the architecture, culture, and traditions. Taste some of the food and drinks that makes Puerto Rican cuisine so delicious. Afterwards, walk through its historic cobblestone streets for a well-deserved shopping-spree!

**Attire & Essentials:** Comfortable clothing, Walking shoes, Sunscreen, Cash for shopping.

**Cost:** Included with Spouse/Guest registration fee. For others, the fee is US \$85.
